NOTES

1. Please send us the information requested for each non-profit fundraising event.
2. Chairpersons will receive a letter from *The Social Book* inviting them to be photographed for inclusion in the Chairman's Yearbook. Only the main event chairpersons and co-chairs are eligible to be photographed.
3. The photographers are donating their time and the photographs to *The Social Book* so that we can honor the year's chairpersons. No one is obligated to purchase a photograph.
4. You may also furnish our office with a favorite photograph (head shot preferred) for publication. We will be happy to return it to you after publication. You may also email us an appropriate photo in high-resolution.
5. Chairman's Yearbook pages have four photos per sheet of paper. Additional pages will be mailed in subscribers updates as we receive new photos (in sets of four).
